ELMO XENON-ARC LAMP SLIDE PROJECTOR OMNIGRAPHIC 550 XENON/AF

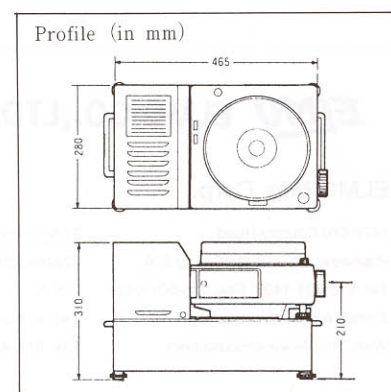

Elmo Omnigraphic 550 Xenon/AF slide projector is equipped with 550W Xenon-arc lamp as a light source and is best suited for large auditorium use. The ideal long life Xenon-arc lamp ensures extremely high luminosity, pure white like solar beam for superb color reproduction.

The Omnigraphic 550 Xenon/AF offers stable and extra bright image from the start of projection. Thanks to the specially designed cold mirror system, the film will not be damaged by heat. This model also features AUTO-FOCUS mechanism.

A variety of quality Elmo projection lenses are available to meet any requirement of yours.

The AV Innovators Since 1921
